**OUR PRACTICAL POULTRY AND ANIMAL EXCHANGE.**

We Sell: Poultry, Horses, Good Farm Stock, Pure Bred Poultry, and Eggs; also Pet Stock of all kinds. Tell us your wants. **CONTRACTION**

Greater than that of all wild animals combined, is the less caused by Rats. What Poison, Traps and Cats has failed to do, is now done by a microbe. It is believed that the New York rat is the most dangerous in the world. The Process. Feed on bread the living culture, (or a crust of bread on the surface of a nutrient jelly, and which can be kept six weeks.) Rat or mouse eating it immediately catches a disease which is contagious, and is fatal in seven or fourteen days. This contagion is spread by wild cats and rats. The above bands by express or mail postpaid.
